

**New! Free support for Santa Clara
& San Mateo County residents**

Manufacturing Futures Career Concierge

- Do you enjoy **working with your hands** while learning new skills?
- Are you looking for a **stable, full-time job** with career advancement?
- Do you have experience in **assembly, machining / CNC, welding, fabrication, or production**, OR are you willing to learn?

If you answered “Yes” to all, Manufacturing Futures can help you get started in manufacturing, or make your next big career move.

Sign up to meet with one of our advisors & explore if a job in Silicon Valley manufacturing is right for you.
